

How can I choose a safe sport club for my child?

Check...

- Is the club's **Child Safeguarding Policy** easy to find?
- Are children **informed about their rights** to feel safe and speak up?
- Are there **clear rules about behaviour**, including codes of conduct?
- Does the club have designated **Child Safe Officer** or **Member Protection Information Officer**?
- Are staff **properly trained and cleared to work with children**?
- Does the club keep parents/carers informed about child safe practices for things like **travel, overnight stays and photography**?
- Is it clear how to **report child safety issues**?
